

Internal FAQ — Test Agency

Appetite — classes we write

General contractors, roofers (pitched roofs only, no more than 2 stories), landscapers, trucking (local delivery only, no long-haul), restaurants (no bars past midnight), retail stores, artisan contractors (electricians, plumbers, carpenters).

Appetite — classes we decline

Roofing above 2 stories, demolition contractors, bars/nightclubs, long-haul trucking, businesses with prior claims over \$100,000 in the last 3 years.

Minimum premiums

General liability minimum premium is \$750/year. Workers' comp minimum premium is \$1,200/year. Commercial auto minimum is \$900/year per vehicle.

Certificates of insurance

Every certificate must be reviewed and approved by a licensed producer before it is sent. Standard turnaround is same business day.

New business process

A producer will always confirm final pricing — the AI assistant never quotes a firm premium.
